Dear Director Panchal,

We have completed a peer review of the Audit Services Division of the City of Los Angeles Office of the Controller for the period July 1, 2023 to June 30, 2026. In conducting our review, we followed the standards and guidelines contained in the *Peer Review Guide for Assessing Conformance with Government Auditing Standards* published by the Association of Local Government Auditors (ALGA).

We reviewed the internal quality management system of your audit organization and conducted tests to determine whether your internal quality management system was adequately designed and operating effectively to provide reasonable assurance of compliance with *Government Auditing Standards* issued by the Comptroller General of the United States. Our procedures included:

- Reviewing the audit organization's written policies and procedures.
- Reviewing internal monitoring procedures.
- Reviewing a sample of engagements and working papers.
- Reviewing relevant documents.
- Interviewing auditing staff and management.

Due to variances in individual performance and judgment, compliance does not imply adherence to standards in every case but does imply adherence in most situations. Organizations can receive a rating of pass, pass with deficiencies, or fail. The Audit Services Division of the City of Los Angeles Office of the Controller has received a rating of pass.

Based on the results of our review, it is our opinion that the Audit Services Division of the City of Los Angeles Office of the Controller's internal quality management system was adequately designed and operating effectively to provide reasonable assurance of compliance with *Government Auditing Standards* during the period July 1, 2023 to June 30, 2026.

We have prepared a separate letter providing findings and recommendations to further strengthen your internal quality management system.

Sincerely,

Corrie Stokes, CIA, CFE
